[CommStrat Ph5-4.12.docx](#)

Pat is out til June 11 and this is the latest Pavillion CS I have.

Do you want me to share with Keara Moore and Dayna Gibbons? or ---- is there a more current version, or need to update this one? I don't have much free time this week.

Hi, Attached you will find the latest version of the Pavillion communication strategy. It was updated last week but since it is a dynamic document it changes from week to week.

Subject: Pavillion communications info

Rish,

Could you please send me the latest version Communications Strategy for the Pavillion site, and any other info you have available. I know you are extremely busy, but we just want to keep up to date with what is going on.

Thank you very much,
